Howdy!

The Texas Gay Rodeo Association is proud to announce the Texas Tradition Rodeo at the Fair Park Coliseum in Dallas Texas. With the generous support and partnership of friends and sponsors we are able to host in this state of the art, world class city of Dallas facility May 1-3, 2015.

As you may be aware, TGRA has multiple events each year to promote women and men in the western lifestyle as well as the sport of rodeo. We are producing many Rodeo events though out North Texas and other cities. These events will not only bring notoriety to residents from North Texas but all of Texas and to international rodeo associations across North America.

Our organization is a recognized 501 c 3 charitable organization founded in 1983 during which time has raised over \$2.9 million dollars for Texas charities. Such success is greatly dependent upon businesses and individuals such as yourselves. With the generous support Andrews Distributing and Miller/Coors among others, we have been able to help many families and individuals to meet their essential daily needs such as medication, food and housing. A profitable Rodeo will benefit our charity partners all of whom are 501 c 3 organizations as well.

At this time we are looking for partnerships in our Rodeo production for this year and you will find enclosed documents which include some details on various opportunities. Your donation ranging in the assorted levels will help to ensure a profitable and successful event once again for TGRA.

We look forward to being partners in the community once again with a successful and profitable event. Contributions are tax deductible per state and local regulations.

Thank you again, and we look forward to your continued support.

Sincerely,

Dan Nagel  
Rodeo Director
